

A safe place for sleeping and hiding. Their crate with the front door removed works well.

Secured windows and closed toilet lids

Appropriately sized litter boxes that are cleaned daily.

A scratching post or pad

Food and water that are fresh and as far from the litter boxes as possible.

Lots of safe toys!

Surfaces that are easy to clean and sanitize between cats and when there are accidents

Separation from resident and other foster pets

Free from items that might be harmful to playful and curious cats

Temperature regulated
